

Quarterly Business Review — Sales (Q1 2026)

Rodriguez, Figueroa and Sanchez · Prepared by Joy Gardner, Head of Sales

Joy Gardner, Head of Sales, presented the Sales team's results for Q1 2026 at Rodriguez, Figueroa and Sanchez's quarterly business review. Performance in the Europe region was highlighted as a key driver of the quarter, with the team crediting close coordination between Sales and the Customer Success organization.

Among the quarter's notable wins, Steven Lee of Fletcher Inc expanded their footprint with DataPulse Analytics, while Mr. Michael Yates of Martin, Mcdonald and Anderson renewed their agreement covering FlowChat. Joy Gardner noted that Insight Dashboard continues to see strong adoption across the Europe customer base.

Joy Gardner also recognized Frances Jones (Account Executive) for outstanding contributions during the quarter, and reiterated that the Sales team will continue reporting into the broader Sales organization for 2026 planning.
